**7 FLAGS CAR WASH “HELPING HANDS”
- FUNDRAISER –
Vallejo, Fairfield, Vacaville, Citrus Heights**

Background:

7 Flags Car Wash invites your school or non-profit organization to participate in a “clean” and simple fundraiser that allows you to keep all of the net proceeds by selling gift certificates for car washes.

How it Works:

7 Flags Car Wash is offering \$10 coupons for only \$5 apiece. No upfront money is necessary. 7 Flags Car Wash provides personalized car wash certificates. Each one is good for a \$10 Value at any 7 Flags Car Wash Tunnel locations. Your organization pays only \$5 per certificate and can sell them for any price up to the current retail value of \$10. **You keep the profit from all certificates sold.**

Program Benefits:

- Raise large sums of money quickly, with no leftover merchandise that can spoil or expire. (The certificates do not have an expiration date).
- You'll be offering a quality product with a well established and respected company.
- You'll give your contributors something of real value for their contribution.

Better for the Environment:

The 7 Flags Car Wash "Helping Hands" Program has environmental benefits as well. Most fund-raiser car washes are held in parking lots, which are not designed to collect pollutants washed off cars. Pollution generated from parking lot car washes goes down the city's storm drains — straight to our rivers and streams. Storm drains are the drains found in parking lots, along streets, sidewalks and other outdoor locations and are not connected to the city's sewer system, but instead are connected directly to local bodies of water.

At 7 Flags we reclaim, filter and reuse wash water, then dispose of any excess water into the sewer system where it can be properly treated.

Program Restrictions:

- Gift Certificates may NOT be sold on the premises of any 7 Flags Car Wash locations.
- Gift Certificates may NOT be sold for more than retail value.
