

To our valued customers, after careful monitoring of the COVID-19 Virus, through the CDC and the Department of Public Health, 7 Flags Car Wash will be temporarily modifying standard business operations. To ensure the health and well being of our employees and customers we will not be offering interior cleaning of any kind at any of our locations. We will still offer our exterior wash menu as well as exterior waxing options, to continue to service the needs of our valued customers and their vehicles.

The safety of our employees and guests is our top priority, we apologize for any inconveniences that this may cause. We continue to proactively monitor the CDC and Department of Public Health to ensure that we have the most accurate information possible to make the best decisions.

We will continue with normal hours of operation at all of our locations to best serve our customers.

Sincerely,

Jason Anthony

President

7 Flags Car Wash
