

June 1st, 2020

As 7 Flags continues to navigate through the COVID-19 (the Coronavirus disease) pandemic, we are excited to announce that we will be beginning to open our Full Service to our customers on a modified basis, please be patient with us through these difficult times. 7 Flags Car Wash would like to assure you that we are taking action to prevent potential exposure to the virus. Here are some of the key steps that we are taking:

- We have a designated Covid-19 supervisor at all tunnel locations
- Spraying a disinfectant on all touch points in vehicle before our team enters the vehicle
- Only two employees will be working on the vehicle to maintain social distancing protocols
- Enforcing six foot social distancing guidelines at all locations
- Customer Lounge and Waiting area will remain closed, only outside seating
- Personal Protective Equipment (PPE) will be worn at all times by employees when working inside the vehicle
- Implemented continual enhanced cleaning and disinfecting procedures throughout the Car Wash on a constant basis. This includes customer waiting rooms, manager offices, employee break rooms, as well as all work areas.
- Help educate employees and customers on stopping the spread of germs through onsite postings
- Auto pay terminals are being wiped down with constantly throughout the day
- Employees are being reminded of the importance of proper hand hygiene, covering the nose and mouth when coughing or sneezing, and avoiding touching the face
- Managers will also be monitoring for symptoms amongst staff members, if detected employee will be directed to stay home until symptom free. We are asking employees that show any symptoms to stay home from work.

The safety of our employees and guest is our top priority, we are taking the steps to enable our customers to continue to enjoy a clean car and provide our employees with a safe work environment. We will continue to proactively monitoring the CDC and the Department of Public Health to ensure that we have the best information possible to make the best decisions possible.

Sincerely,

Jason Anthony
President
7 Flags Car Wash
